Preservation Awards

Each year thousands of South Carolinians work to preserve the state's legacy that is reflected in our historic buildings, structures, and sites. The Palmetto Trust for Historic Preservation, the South Carolina Department of Archives and History, and the Office of the Governor recognize exceptional accomplishments in the preservation, rehabilitation, preservation, and interpretation of our architectural and cultural heritage with annual preservation awards.

The **Honor Awards** celebrate successful and exemplary historic preservation projects around the Palmetto state.

The **Governor's Award** is presented to an individual for lifetime achievements in historic preservation. It recognizes an individual's significant achievements or landmark efforts in support of historic preservation in South Carolina.

The **Heritage Tourism Award** recognizes those who best use South Carolina's cultural and historic resources in the promotion and development of tourism or use tourism to directly benefit the preservation of our heritage.
